Vaagdevi Institute of pharmaceutical sciences recognizes that better interaction between institutions and industry very essential. With the advent of globalization and opening up of Indian economy to the outside world, competition among industries has become large.

The team consists of faculties from each department lead by Dr. M. Swapna Reddy, Professor, who has good industrial experience also. Student coordinators who represent every year of each department also are a part of the IIC team.

OBJECTIVES

1. Identify and reward innovations and share success stories.
2. Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
3. Network with peers and national entrepreneurship development organizations.

Roles and Responsibilities:

1. Arranging visits of staff members to various industry.
2. Professional consultancy by our faculty to industries.
3. Inviting executives and practicing pharmacists from leading industries to our Institute for overseeing research work and laboratories, discussions and delivering lectures on industrial practices, trends and experiences.
4. Industrial testing by faculty & technicians at site or in laboratory.
5. To create awareness about the job functions in the industry.
6. To create attitudes in students to adapt to industrial environment.
7. To impart proper practical and relevant knowledge and skills.
8. To improve capabilities to become self-employed.
