Advaita Global IT Labs Pvt. Ltd

Subject: Proposal for Consulting Partnership in Development of "Recycling Pharmaceutical Waste: Strategies for Reuse and Sustainability in Industrial Pharmacy"

Dear Sir/Madam,

The purpose of collaboration with the college is to foster a dynamic and mutually beneficial partnership aimed at promoting innovation, research, and practical learning. By working together, we aim to provide students with opportunities to gain hands-on experience, enhance their technical and professional skills, and engaging real-world problem-solving. This partnership will also support the development of cutting-edge projects, facilitate knowledge exchange, and bridge the gap between academia and industry. Ultimately, the collaboration seeks to empower students, faculty, and industry take holders to drive meaningful impact through education, research, and innovation.

Scope of Work:

- Vaagdevi Institute of Pharmaceutical Sciences shall provide R&D expertise and infrastructure to
Support projects undertaken by Advaita in the areas of mutual interest.
- Joint development of innovative solutions, prototypes, and technical models to address industry challenges.

Looking forward to contributing to your innovative journey.

Thanks & Regards,

Swetha Sirpur
