DIWALI CELEBRATIONS

Diwali, also known as Deepavali, is one of the most important and widely celebrated Hindu festivals in India. Known as the Festival of Lights, Diwali signifies the triumph of light over darkness, good over evil, and knowledge over ignorance. It is a time for joy, celebration, and the renewal of relationships. The festival fosters a sense of community, unity, and positivity, making it one of the most cherished and widely celebrated festivals in the world. Through its rich traditions, vibrant celebrations, and deep-rooted significance, Diwali continues to light up lives and hearts year after year.

7.1.4.2 Communication skills (spoken English)

The view to enhance communication skills among the students to keep place with their employment opportunities at VPWL the students are being trained with effective communication skills. This practice session starts from B.Pharmacy-I years students in the lab sessions. The English lab has been loaded with MSBN Communication skills software which enable the students are thoroughly trained with all four major skills, listening, speaking, reading and writing skills. Along with skill set the student's fear of speaking is outsmarted with the spoken activities like JAM sessions, Group Discussion, Debating and Elocution. Ultimately by the end of third year students are made to get placements with their linguistic abilities.

Communication Skills Program:

Vaagdevi Institute of Pharmaceutical Sciences (VPWL) conducted an innovative program titled "**Communication Skills Program**" on March 24, 2022. It was intended to fourth-year B.Pharm. Students in understanding how to enhance their personalities and communicate more effectively. The program was facilitated by **Dr. M. Sumalatha**. Everyone was given a hearty welcome to begin the session by **Dr. M. Sumalatha** discussed the significance of personality and communication skills for pharmacy students to succeed in their jobs. In order to help in the students. Learning, we held various sessions. Initially, she discussed the characteristics of effective communication and talked about how to listen intently and speak clearly. We even worked on these abilities as a group. We next addressed professional behavior. Having a positive outlook, projecting confidence, and maintaining a professional appearance were discussed. Working in a pharmacy requires you to have these things. At last, the topic of pharmacy careers was brought up. Pharmacists with years of experience discussed their experiences working in the area and offered advice. Learn more about potential career paths and ask questions. Their careers will benefit from the new knowledge they gained. VPWL is dedicated to supporting students' development and success.

Dr. M. Radhakishan, the principal of VPWL, expressed his gratitude to **Dr. M. Sumalatha** for giving information to the students.
